

City of Leominster Department of Inspections

As a homeowner you have the ability to apply for a building permit for a premise you own and reside at. In doing so, **you** assume all responsibility for the project.

If you choose to perform building/construction work on your own home, or if you choose to hire unlicensed, unregistered persons, you **forfeit any and all rights** under the CSL & HIC programs.

By signing below, I certify that I understand the above statement, and this permit will fall under the homeowner exemption (780 CMR, Sect 108.3.5)
